### About Ghost Ranch

Ghost Ranch, 21,000 acres located in Northern New Mexico, is an ecumenical and interfaith education and retreat center of the Presbyterian Church (USA). For over half a century, people have come here for spiritual development, to discuss issues of peace and justice, to work together in creation care, to paint and write, to hike and to ride horseback, to research rich and globally renowned archeological and fossil quarries, to see where Georgia O'Keeffe painted, to try something new or to simply rest and renew their spirits.
